An essential Buckminster Fuller idea triangle . . .

- (1) *"Life has been intuitively and unconsciously evolving its own emancipation along the route of chance-happenings."*
- (2) *"I learned very early and painfully that you have to decide at the outset whether you are trying to make money or to make sense, as they are mutually exclusive."*
- (3) *"Optimize the way we use the world's resources. Do more with less. Don't wait for the politicians. See what needs to be done and do it."*
